For the love of animals

DEAR FRIENDS,

This has been an incredible year for the Humane Society for Boone County! We purchased and moved into our official shelter building. We're on target to help almost twice as many animals as we did last year and we will have animal control ordinances in place by year end to give these animals a real voice. Imagine responding to a call about a dog found injured from being hit by a car down in a ravine that has to be rushed to the emergency vet. Imagine the police bringing you two horribly emaciated shepherd females to nurse back to health after starving alone in a house for weeks. Imagine finding three kittens with broken legs - one so badly injured the leg required amputation. Thanks to our volunteers and foster network, the Humane Society for Boone County (HSforBC) is there to take in and help nurse these animals to back to health in loving, caring

homes. Imagine what we will be able to accomplish with the building renovations completed and the doors officially open. The Humane Society for Boone County is an ALL volunteer not for profit 501(c)(3). Your donations go directly toward the care of the animals. We rely on your financial support to help these pets receive a second chance to live a long, safe and secure life. Your kindness and generosity provides many services and purchases important to the continued health and welfare of each animal in our care.

A financial gift of support from you in any form will greatly help. To donate to general operating and medical expenses, please mail your donation check payable to Humane Society for Boone County, P.O. BOX 708 LEBANON, IN 46052. Secure online donations to HSforBC can be made at our website www.hsforbc.org.
