FOR IMMEDIATE RELEASE

Today, at the inaugural Fur Ball “Mardi Gras Pawty to Raise the Roof for the Animals”, the Humane Society for Boone County (HSforBC) proudly announced the receipt of a special donation. A generous gift was made by Valenti-Held of a 6.2 acre building site for the future location of our rescue and adoption shelter facility to service Boone County.

In its seventh year of operation, HSforBC has relied upon area volunteers to rescue, care for and adopt Boone County’s homeless animals, carrying on this task without the benefit of a public shelter. In addition, generous public donations to the Operation Shelter building fund have raised nearly \$300,000 for shelter construction.

With the land donation announcement, HSforBC is also announcing the launch of our 2014 Operation Shelter capital campaign to raise \$1.5 million for establishing the shelter. HSforBC looks forward to working with community leaders, citizens and business leaders throughout the Operation Shelter fundraising drive, and will endeavor to reach our goals as promptly as possible.

On behalf of the volunteers of The Humane Society for Boone County and the entire organization, I would like to thank everyone who contributed their time, effort and money helping to make our shelter a reality.

Mike Hancock,
President Humane Society for Boone County
